

Instant Messages with Iain Bradbury

very strange -- it started a new window  
it claimed I had logged out or disconnected

Iain Bradbury: hmm

Reid Ellis: Did I disappear from your buddy list?

Iain Bradbury: I did not see as I was away. I am still in the same Fire chat window though.

Reid Ellis: hm strange

Reid Ellis: okay, movies are all done. I created a new dir called "shhh" into which i am putting all the jpgs

Iain Bradbury: does iChat support file transfer?
